## A Look Back at 2025

### A Year of Hard Work, Dedication, and Gratitude

As we close out the year, we want to take a moment to reflect on what 2025 meant for our firm. It was a year marked by meaningful work, important victories, and the privilege of standing beside clients who trusted us during some of the most difficult moments of their lives.

This year, we successfully resolved a number of significant cases — including a **\$13 million settlement** and a **\$2 million settlement** just weeks ago. Our results continued to fall on the higher end of industry averages, and while we're proud of the outcomes, what we are *most* proud of is the commitment behind them.

One of the values that has guided our practice from the very beginning is simple:

### Every case matters.

Whether it's a \$10,000 case or a \$10 million case, each one receives the same attention, care, and determination from our team.

As Seth shared recently:

“ *Every case that comes into this office — big or small — gets the same level of personalization from both of us.* ”

”

As we move into 2026, we are grateful for every client who placed their trust in us this year and honored to continue serving the South Florida community.

## Looking Ahead: A New Chapter in 2026

We're excited to share that in **January, 2026**, our firm will officially transition from **Marc A. Kaufman & Associates** to **Kaufman Rosenthal**.

This new name reflects the shared leadership of **Marc Kaufman** and **H. Seth Rosenthal**, and symbolizes the strength and collaborative spirit that define our practice.

What won't change is our mission.

We remain fully committed to providing compassionate support, clear guidance, and relentless advocacy to every client who walks through our doors.

We look forward to stepping into this new chapter with you.
